

## **ACCOMMODATIONS**

### **Apartment - Loft - Studio - Hotel - Private Option - Youth Hostel**

THE STUDIO-INTERNATIONAL FILM ACTORS' TRAINING does not provide accommodations, but we can recommend several options. Participants can find their own hotel or motel, or stay with family, a guest family/room-mate situation or friends. We offer a list of 'green' hotel choices and long-term rental options with companies such as 'Synergy' and 'The Oakwood Apartments'. Unfortunately we have not found 'green long-term' apartment rentals. If students wish to get their own apartment, they can usually choose between 2-Bedroom, 1-Bedroom, Studio apartments and NEW! wonderful Lofts. If you want to share your apartment, your room in your apartment, please let us know. We can accommodate at least 4 people in a 2-Bedroom, or 2 people in a 1-Bedroom apartment or Loft. If there is nobody to share it with, you will have to book the studio/apartment yourself.

**YOUTH HOSTEL:**

We have only heard positive news when actors stayed at a youth hostel. A lot of them even have private rooms to rent. The best address for this research is the following: [www.hostelbookers.com/hostels/usa/los-angeles](http://www.hostelbookers.com/hostels/usa/los-angeles)  
Private rooms will range from \$ 18.60 - 33.31 which is a bargain in this town.

Another great address is: [www.hostelweb.com](http://www.hostelweb.com)

When you click on the different locations, it will show you all the services they offer, e.g. internet, laundry, linen incl ( you might have to bring your own sheets), luggage storage, community kitchen, fridge, no curfew, no lockout, BBQ outside, smoking rooms, internet, A/C and more. For instance Banana Bungalow even offers very low car rentals for \$ 19.99 per day.
